About Emergent BioSolutions

At Emergent, our mission is to protect and enhance life. We develop, manufacture, and deliver protections against public health threats through a pipeline of innovative vaccines and therapeutics. For over 20 years, we've been at work defending people from things we hope will never happen—so that we're prepared just in case they ever do. We do what we do because we see the opportunity to create a better, more secure world. One where preparedness empowers protection from the threats we face. And peace of mind prevails. In working together, we envision protecting or enhancing 1 billion lives by 2030. For more information, visit our [website](#) and follow us on [LinkedIn](#), [Twitter](#), and [Instagram](#).
