For conferences where a presentation is planned, the company's webcast presentation may include a discussion of the company's recent business developments as well as its financial results and guidance. The webcasts will be available both live, if possible, and by replay, and will be accessible from the [Emergent website](#).

About Emergent BioSolutions

At Emergent, our mission is to protect and enhance life. For over 20 years, we've been at work defending people from things we hope will never happen—so we are prepared, just in case they ever do. We provide solutions for complex and urgent public health threats through a portfolio of vaccines and therapeutics that we develop and manufacture for governments and consumers. We also offer a range of integrated contract development and manufacturing services for pharmaceutical and biotechnology customers. To learn more about how we plan to protect or enhance 1 billion lives by 2030, visit our [website](#) and follow us on [LinkedIn](#), [Twitter](#), and [Instagram](#).
